CADDY

BOOK

# NOTES TO KNOW

- **Players MUST CHECK-IN** at the Starter Tent at their assigned course 10 minutes prior to their tee time.
- **DO NOT go to Tee Pad #1** Groups will be sent to the tee from the starters tent
- Electronic scoring is the primary method being used:
  - [pdga.com/score](https://pdga.com/score)
  - TCO23 is the code
  - confirm and submit your score within 30 minutes of finishing your round
  - paper scorecard are for BACK UP ONLY!
  - at least 2 players must keep digital score

## TEE ASSIGNMENTS

- Players are responsible to know their tee times. <https://www.pdga.com/tour/event/64426>
- Arrive well ahead of time to ensure parking
- DO NOT go to tee pad #1
- Check -in with the Course Director at the Starter Area
- All groups will have a quick Q & A with the Course Director at the Starter Tent.
- Any course information outside of the Caddy Book, will be relayed to the players at this time.
- If a player is not present at the tee pad at the start of the round with their assigned group, the player is considered absent and does not play the hole.
- The absent player receives a score of *par + 4 for each hole not played*.

## HAZARDS & OUT of BOUNDS

There are stakes lining fairways at both courses. The front of the stake, facing into the fairway, is the OB line.

Pay attention to the colour of the *tops* of the stakes

**YELLOW** = **HAZARD** play it as it lies with a stroke penalty

**RED** = **OUT OF BOUNDS** standard OB rules apply

**SAND TRAPS** at Mac Island play as **HAZARD**

**FENCE LINES** - the front of the post, facing the fairway is the OB line

**PAINTED WHITE LINES** - play as out of bounds - the line itself is OB

## MANDOS/MANDATORIES

**Both course have Mandos & Restricted Areas.** Please know the rules of play for both.

<https://www.pdga.com/news/pdga-official-rules-disc-golf-competition-manual-updated-2022>

All of the Mandos have a drop zone.

NEVER unwind from a Mando! This is not allowed!

## BARBED WIRE

**2 meters relief** is given from all barbed wire.

**There is a barbed wire fence that surrounds the Rose Hill & Copper Ridge property and it plays as OUT OF BOUNDS.**

# Digital Scorecard

**ACCESS CODE**

**TCO23**

# COPPER RIDGE

Copper Ridge Disc Golf Course is a picturesque 18-hole course located in the heart of Logan Lake, British Columbia. The course is set in a beautiful park with plenty of trees, offering a unique and enjoyable disc golf experience for players of all skill levels. This course has been in the ground and been the host of BC Provincials and Canadians! Pay attention to those teesigns!

Welcome to Copper Ridge hole #1. This one gets you used to this course's theme pretty quick. Woods, elevation and an sloped green. Pick your line and fire away. Good luck on the round ahead. Uphill shot to get things started.

If you can't see the basket on this one... you're in good company. There's a small gap in the tree line below and it's about 40ft past the opening. A birdie here is a reward of a well placed shot.

Finally.. a basket you can see of the teepad. A few guardian trees to content with but nothing you can't handle.

One of the shortest holes you'll find out here. Green has been a little fast in years past. Time to pull that ace out of your sleeve!

Take a moment to appreciate the view when at the basket! There is a pretty good slope on the left hand side if you get caught leaking out that way. Shot play uphill a fair amount. Try to stay up top.. if you can.

Pick your line on this one! Get caught up early and you'll be in trouble here. Basket is downhill and to the left of the pad.

Where to roll the dice on this? Take the big outside line or take the inside gap. A bit of a downhill shot. Go long and end up in the base of a tree. A fair green that often rewards your drives with birdies.

I'm tempted to take a jump or two (bike park to the right) A bunch of trees guarding the straight line to the basket on this uphill shot. Use nature to your advantage here on this uphill shot.

She may be short story but an elegant one. A personal favourite. A slight left to right shot with a significant slope around circles edge on the right hand side. An uphill shot in a somewhat tight fairway.

Welcome to the back nine. This uphill, downhill trend continues on with this one. A downhill touch shot with trees on either side of the fairway along with a big guardian tree in the circle.

The basket may be out of view... but its up there I promise. A nice left to right fairway and a uphill shot here. Trend... continues. Behind the basket is some barbwire I'd advise to stay away from but play your game.

Hole 12... ah many thoughts are had here. Lots of OB; barbwire fence and pond. The pond OB will be marked by red plastic stakes. This is a well protected green that could definitely add some unwanted strokes to your scorecard, maybe its just me... Good luck on this one!

Take a breather before proceeding to throw. Really. A good climb leads to a good throw. A fun green and a good line to hit.

Well you've made it to the top.. mostly. OB barbwire fence on the left hand side. Significant downhill slope on the backside of the basket along with the right hand side. Plenty of foliage to mess up your shot, but my goodness getting there feels good.

15, Lets start off with a bunch of barbed wire on the left and deep of the pin. You'll be safe in the circle. Please a reminder, there is no good entry in the barbed wire zone on this hole. Please inform the TD of any lost discs and we will try to get them back to you.

Straight shot to the pin... simple, right?

Hey a par 4, wondering where this was hiding.  
 The shot is uphill with a well.. well its an interesting green. Perched on a hill with trees surrounding the pin and a marsh on the long end of things.

Back to back another par 4 here.  
 Play with the view and attack the ridge!  
 OB is long of the pin and mostly along the ridge marked by red plastic stakes.  
 Definitely a hole where wind can come into play.

This ends in Copper Ridge style.  
 If you were a Venetian seamstress in a past life then this one's for you. Weave that line and get rewarded on this massively downhill shot. Easy to get caught up early or pure the gap and carry 100ft long. Hope you enjoyed your round at Copper Ridge!
